Be the Leader Your Team Needs

Lean Leadership Essentials Certificate

Be a manager or supervisor in Manitoba's thriving print industry – or be a better one. Join MITT's *Lean Leadership Essentials Certificate* program and move your career to a whole new level.

The best leaders lead by example, so let us give you the skills and knowledge you need to unleash the power of Project Management, LEAN Manufacturing, transformation and continuous improvement. With lead instructor Rod Smith's 35+ years in print management, you'll be learning the same strategies, tools and techniques that top industry leaders use for engaging, motivating, training and growing your team-members. You'll have ample opportunities to practice with peers, and receive feedback designed to help you apply what you've learned in your workplace.

Our world-class instructional team will teach you how to build a workforce focused on continuous learning and improvement – and a workplace that's more efficient and productive.

Lead by example. Learn how to be a *Lean Leader*.

For this special pilot program, we have received limited-time Manitoba government support covering two-thirds of training costs. This support will not be available in the future **so apply now!!**
