### Technology Requirements for Online Learning

Check out [About Online Learning](#) for details on technology requirements for this program, including minimum computer specifications. It is recommended that computers are PC's that support Windows 10 and Microsoft Office Suite 2016 or 2019 operating systems. *We do not recommend the use of Chromebooks, Apple products, or tablet-style devices, as they may not be compatible with the required applications of some courses.*

The estimated cost for a new computer that meets the minimum specifications is \$1,000.00.

### **Textbook and Workbook Information:**

MITT has a partnership with the University of Winnipeg Bookstore. Textbooks used in the program are provided to high school students for use. Students are responsible for purchasing workbooks, if applicable. To determine if your program has a workbook to purchase, please visit the University of Winnipeg Bookstore and following the instructions below: <https://www.bkstr.com/winnipegstore/home>

---

*Select the appropriate intake (e.g. Fall 2022), find the correct program from the list and under 'section' select 'SEC' to view the list of required workbooks. If 'SEC' does not appear under 'section', a workbook is not required for purchase.*

---

### **Options Available to Purchase Your Workbooks:**

1. Go in-person to the University of Winnipeg (UofW) Bookstore. Be sure to check their website for hours of operation and closure information.
2. Use the UofW online bookstore (by visiting the link noted above).
3. Source book(s) through other online providers **only** if these are **same** version

---

### **Reference Books, Supplies and/or Equipment:**

- The Instructor will distribute any required textbook(s), workbook(s), case studies, additional supplies and/or equipment for student use during the program.
- All classroom reference books, resources, supplies and/or equipment are to be returned to the Instructor at program completion.
