***ParaMed Placement Pass is an approved third-party agency that provides pre-placement immunization and clearance validation on behalf of Manitoba Institute of Trades and Technology. Students will be oriented on the Placement Pass platform after the program start date. This orientation will outline all immunization and testing requirements, the process for submitting these documents, and the deadlines. MITT recommends that students consult with their healthcare provider on their immunization status following this orientation.*

Technology Requirements for Online Learning Components

Check out [About Online Learning](#) for details on technology requirements for this program, including minimum computer specifications. It is recommended that computers are PC's that support Windows 10 and Microsoft Office Suite 2016 or 2019 operating systems. *We do not recommend the use of*

Chromebooks, Apple products, or tablet-style devices, as they may not be compatible with the required applications of some courses.

The estimated cost for a new computer that meets the minimum specifications is \$1,000.00.

Required Textbooks/Workbooks:

MITT has a partnership with the University of Winnipeg Bookstore. To view your textbook lists, please visit: <https://www.bkstr.com/winnipegstore/home>.

Options Available to Purchase Your Textbooks:

1. Visit the MITT retail space in the University of Winnipeg (UofW) Bookstore (check their website for hours of operation and closure information).
2. Visit the UofW online bookstore.
3. Source book(s) through other online providers **only if** these are **same version** and **have access to the web-based assignment and assessment platforms** associated with the textbook. **Used textbooks may not come with resources as there are *single use restrictions***, which make them void after first user activation.

Specific Instructions Provided by Instructor:

1. The following textbook titles must be in the hardcopy print format:
 - a. *Clinical Kinesiology and Anatomy*
 - b. *Acquiring Medical Language – Textbook with connect access*
2. *For the balance of the textbook titles required, it is the student's preference whether they select print or ebook version.*

Notes:

- Manitoba Institute of Trades and Technology does not operate a bookstore or supply store.
