Convocation

June 22, 2022

MANITOBA INSTITUTE OF
TRADES & TECHNOLOGY

The Manitoba Institute of Trades and Technology acknowledges that it is situated on Treaty 1 territory and the traditional territory of Anishinaabeg, Cree, Dakota, and Dene Peoples, and the homeland of the Metis Nation.

Traditional Territory Acknowledgements

Treaty Acknowledgement situates us in relationships, the commitment to those relationships, and reminds us of our interconnectedness. Relationships are the key to reconciliation. Relationships are built on mutual respect, trust, and reciprocity, a process to which MITT is genuinely committed. Acknowledging territory demonstrates recognition of and respect for Indigenous Peoples. It is recognition of the important role Indigenous Peoples played in the past as allies and providers for the settler population; their role and contributions to the world today, and the impact their ways of knowing and worldviews will have in the future.

Treaty No. 1 was negotiated and entered into in August 1871, at Lower Fort Garry. A few of the Canadian communities sharing the obligations and benefits of Treaty No. 1 include: Winnipeg, Brandon, Portage La Prairie, Selkirk, Steinbach, Lundar, Grand Beach, Emerson, Winkler.

—*Treaty Relation Commission of Manitoba*

Spoken Prayers and Honour Songs

Calling on the ancestors and spirits, Gizhee Manitou (Creator) and all of creation to witness and bless our actions in this realm.

Drums

The beating sound of a drum is said to represent the heartbeat of Mother Earth and it calls all nations together.

MESSAGE FROM THE PRESIDENT

Congratulations to the Class of 2022,

It gives me tremendous pride to join you in celebrating your achievements. The skills you developed at MITT will lead you toward professional and continued educational success.

You have endured one of the most challenging times in academic history. You have succeeded in your studies and training, despite the difficulties presented by the pandemic and ever-changing guidelines. Applaud yourself for not only enduring, but overcoming the obstacles that were put in front of you.

You are now prepared to contribute to the economic growth and development in communities from Winnipeg to Manitoba and around the world. As you take on the unique challenges that await you in an evolving workplace, you have the skills and know-how to be a leader and to make a true difference in the world.

On behalf of MITT's Governing Board, faculty, and staff, it has been a pleasure to celebrate the completion of this phase of your studies. We are so proud to now call you MITT alumni. We hope you stay connected with us in the future.

Sincerely,

A handwritten signature in black ink, appearing to read 'Ray Karasevich'. The signature is fluid and cursive, with a long horizontal stroke at the end.

Ray Karasevich
President and CEO

INFORMATION FOR GUESTS

Family and friends are asked to rise when the procession enters.

Once the ceremony begins, please respect the graduands by remaining seated for the entire ceremony.

Lifetouch will be taking photos of each student as they cross the stage. These photos can be ordered in the foyer prior to or following the ceremony. Lifetouch will also be available to take individual and group portraits before or after the ceremony.

Convocation is a public event. Photographs, as well as video and audio recordings of this event will be produced. By attending, you consent to being photographed and recorded and may appear in social media or future marketing materials.

After the ceremony, graduates and guests will be led out of the hall toward a space where photos may be taken, and gowns will be dropped off. Gowns will be returned to a different location than where they were picked up; if the gown is not returned, graduates will be billed accordingly.

Caps and tassels are for graduates to keep.

Alternate formats of this document are available upon request. Please ask a convocation volunteer for further information or email kayla.hoskins@mitt.ca

Morning Ceremony

AWARDS

Governor General's Academic Medal

Kacia Lea Migizi Beaulieu, Senior Years Technology Diploma and Certificate of Recognition in Hairstyling

The Governor General's Academic Medal, established in 1873, is awarded for academic excellence to the student who achieves the highest average upon graduating from a secondary school.

MITT Award for Excellence—Top Post-Secondary Student

Alex Gilmer, Software Developer Diploma

Presented to the student who has achieved the highest final grade average in both practical and theory in any MITT program. This student has demonstrated exceptional employability skills and leadership abilities and is considered to be a positive role model for other students.

MITT Award for Excellence in Work Practicum

Sean Manalang-Cunanan, Rehabilitation Assistant Certificate

Presented to a post-secondary student who fosters positive relationships between MITT and the business community. Their work practicum evaluation indicates the employer would consider hiring this student upon graduation.

MITT President's Award for Women in Trades

Wraylynn Black, Certificate in Industrial Welding

Presented to a MITT student who is female/identifies as female, and has successfully completed one of the following programs: Automotive Service Technician, CAD Technician, Carpentry, Electrical Applications, Electronics Technician, Graphic and Print Technician, Industrial Mechanic/Millwright, Industrial Welding, and Motosport Technician. The recipient achieved high academic standing, and has met all Apprenticeship Manitoba requirements as required. This student has demonstrated a positive attitude, dedication to their studies, and acted as a positive role-model to other students.

MITT President's Award for Indigenous Leadership

Shannon Chad Campbell, Graphic and Print Technician Certificate

Presented to an Indigenous student who demonstrates outstanding overall performance in their program of study. This student demonstrates a positive attitude, dedication to their studies, and exceptional work skills. They are seen as a positive role model for other students, and have received positive feedback from their work practicum.

MITT Citizenship Award

Sandy Tran, Pharmacy Technician Diploma

Presented to a post-secondary student who displays excellent citizenship qualities, such as improving their classroom and campus communities. This student should foster a positive class environment and/or participate in on or off-campus extracurricular activities, as well as demonstrating strong leadership skills and cooperation with students and staff.

Program Excellence Award

Presented to the top student from each program who has excellent theory and practical grades, highly developed work skills, and throughout their studies demonstrated a high degree of commitment and professionalism.

Maryruth Molon Abrillo, Medical Office Assistant Certificate

Wraylynn Black, Certificate in Industrial Welding

Faith Eden Bonner, Graphic and Print Technician Certificate
