MANITOBA INSTITUTE OF  
TRADES & TECHNOLOGY

**10**YEAR  
ANNIVERSARY  
A DECADE OF LEARNING AND GROWTH

# Traditional Territory Acknowledgements

MITT is situated on Treaty 1 land and the traditional territories of the Anishinaabe, Cree, Asnisininew, Dakota, and Dene peoples, the homeland of the Red River Métis, and the ancestral lands of the Inuit.

Our water is sourced from Shoal Lake 40 First Nation in Treaty 3.

We honour the sacredness of these ancestral lands and waters and the original peoples who walked before us.

We proudly recognize the Treaties that were signed here and acknowledge and respect the history of the area.

MITT values the many relationships that make up our home, and we dedicate ourselves to a spirit of reconciliation and partnership today and in the future. MITT is dedicated to ensuring that First Nations, Métis, and Inuit knowledge, cultures, and traditions are embraced and embodied in the work that we do.
