POLICY:	POLICY No.
Powers and Authorities of the Board of Governors	**B-2**
EFFECTIVE DATE AS OF: **October 22, 2024**	PRIOR VERSIONS: **November 24, 2020** **June 28, 2016**

1. Policy Purpose:

The purpose of the policy is to itemize the legislative powers of MITT's Board of Governors (the Board) as established in The Manitoba Institute of Trades and Technology Act.

2. Policy:

The board may delegate any of its powers or duties, except the power or duty to make a by-law, to any committee of the board or any person.

Under the legislation the board may:

a) Determine the administrative and academic organization of the Institute;

b) Engage teaching and other staff as required, and determine their duties and conditions of employment and set their salaries and honorariums;

c) Establish and provide for the operation of programs of study and courses consistent with the mandate of the Institute;

d) Establish admission requirements for students;

e) Exercise internal disciplinary jurisdiction over the conduct of students, including exercising the power to expel or suspend a student for cause;

f) Set fees and all other charges to be paid to the Institute;

1) Make by-laws respecting and prohibiting the parking or leaving of vehicles on property under the control of the Institute, including, but not limited to, by-laws respecting the following:

- the places where, the times when and the conditions under which persons are authorized to park or are prohibited from parking or leaving vehicles,
- the placement of parking control signs, markings and meters prohibiting or governing the parking or leaving of vehicles,

- the fees and charges to be paid by owners or operators of vehicles parked on property under the control of the Institute, including fees and charges for vehicles parked or left in contravention of the by-laws,
- the removal and impoundment of vehicles parked or left in contravention of the by-laws;

g) Provide and facilitate the providing of scholarships or bursaries to students

h) Borrow money that may, in any fiscal year, be required to meet the ordinary expenditures of the Institute, until the revenues for that fiscal year are available, and, with the approval of the Lieutenant Governor in Council, borrow money for any other purpose;

i) Subject to limitations imposed by any trust, invest money belonging to the Institute, or held by it in trust, in any kind property, whether real, personal or mixed, exercising the judgment and care that a person of prudence, discretion and intelligence would exercise in administering the property of others;

j) Enter into agreements or arrangements to further the mandate of the Institute, and designate the appropriate signing officers for agreements and other documents;

k) Establish rules and procedures for the conduct of its own proceedings, including establishing standing and other committees and determining when and in what manner meetings of the board and standing committees may be held, and fixing a quorum;

l) Review and evaluate programs and services proved by the Institute; and

m) Do any other thing the board considers necessary or advisable to carry out the mandate of the Institute.

The Institute is not limited to the specific powers listed above. It also has all the powers of a natural born person for carrying out its mandate.
