

Awards

Governor General's Award

Nathan Arthur Herms, MITT High School

The Governor General's Academic Medal, established in 1873, is awarded for academic excellence to the student who achieves the highest average upon graduating from a secondary school.

MITT Award for Excellence – Top Post-Secondary Student

Ashley Marie Puhach, Pharmacy Technician

Presented to the student who has achieved the highest final grade average in both practical and theory in any MITT program. This student has demonstrated exceptional employability skills and leadership abilities and is a positive role model for other students.

MITT Citizenship Award

Frederick Piado Lopez, Software Developer

Presented to a post-secondary student who displays excellent citizenship qualities, such as improving their classroom and campus communities. This student should foster a positive class environment and/or participate in on or off-campus extracurricular activities, as well as demonstrating strong leadership skills and cooperation with students and staff.

MITT President's Award for Indigenous Leadership

Travis Mason, Construction Labourer Certificate

Presented to an Indigenous student who demonstrates outstanding overall performance in their program of study. This student demonstrates a positive attitude, dedication to their studies, and exceptional work skills. They are seen as a positive role model for other students, and have received positive feedback from their work practicum.

MITT President's Award For Women in Trades

Taylor Anderson, Construction Labourer Certificate

Presented to a MITT student who is female/identifies as female, and has successfully completed one of the following programs: Automotive Service Technician, CAD Technician, Carpentry, Construction Labourer, Electrical Applications, Electronics Technician, Graphic and Print Technician, Industrial Mechanic/Millwright, Industrial Welding, and Motorsport Technician. The recipient achieved high academic standing, and has met all Apprenticeship Manitoba requirements as required. This student has demonstrated a positive attitude, dedication to their studies, and acted as a positive role-model to other students.

MITT Work Practicum Award

Aryan Bhalla, PTEC Software Developer

Presented to a post-secondary student who has the best performance in a work practicum during this past academic year. This student receives outstanding feedback in their practicum evaluation, represents MITT strongly within their appointed business and selected industry, projects a positive attitude, and possesses exceptional work and technical skills.

Dr. Jack Hunt Citizenship Award

Kaden Spletzer, PTEC Cyber Defence Cloud Administration

Presented to a student from Shaftesbury High School or Oak Park High School. This student fosters a positive class environment, maintains their training area, works cooperatively with other students, and demonstrates excellent employability skills.

Neil Thiessen Award for Program Excellence

Samuel Rosales, PTEC Cyber Defence Cloud Administration

Presented to a student from Vincent Massey Collegiate or Fort Richmond Collegiate. The winner has achieved a high academic average in both practical and theory components. This student contributes to further development of the program, and fosters a positive class environment.

Program Excellence Award

Presented to the top student from each program who has excellent theory and practical grades, highly developed work skills, and throughout their studies demonstrated a high degree of commitment and professionalism.
