***The above noted documents must be dated within six (6) months of the start of the Work Practicum to be valid.*

****ParaMed Placement Pass is an approved third-party agency that provides pre-placement immunization and clearance validation on behalf of Manitoba Institute of Trades and Technology. You will be responsible for the service fees associated with this user account and can learn more about this process during a Placement Pass platform orientation, which will be scheduled after the program start date. This orientation will outline all immunization and testing requirements, as well as clearance documents (i.e., Police Information Checks, Vulnerable Sector, Child Abuse Registry, Adult Abuse Registry clearances). The orientation will also explain the process for submitting these documents, and the deadlines. MITT recommends that students consult with their healthcare provider on their immunization status after attending the orientation session.*

Technology Requirements for Online Learning

Check out [About Online Learning](#) for details on technology requirements for this program, including minimum computer specifications. It is recommended that computers are PC's that support Windows 10 and Microsoft Office Suite 2019 operating systems. *We do not recommend the use of Chromebooks, Apple products, or tablet-style devices, as they may not be compatible with the required applications of some courses.*

Specific Instructions Provided by Instructor:

All student laptops must be able to host SimNet Microsoft Office Resource which involves having the minimum laptop requirement as stated under the section Technology Requirements for Online Learning.

Respondus - Lockdown Browser

During your studies at MITT, you will be required to take assessments within the MyLearning platform while using Respondus – Lockdown Browser. Students are required to download this application on their laptops as a requirement to take the test.

Required Textbooks/Workbooks:

MITT has a partnership with the University of Winnipeg Bookstore. To view your textbook list, please visit: <https://www.bkstr.com/winnipegstore/home>

Options Available to Purchase Your Textbooks:

1. Visit the MITT retail space in the University of Winnipeg (UofW) Bookstore (check their website for hours of operation and closure information).
2. Visit the UofW online bookstore.
3. Source book(s) through other online providers **only if** these are **same version** and **have access to the web-based assignment and assessment platforms** associated with the textbook. **Used textbooks may not come with resources as there are single use restrictions**, which make them void after first user activation.

Notes:

- Manitoba Institute of Trades and Technology does not operate a bookstore or supply

store.

- For more information on textbooks, please visit <https://mitt.ca/textbooks>

Reference Books, Laboratory Supplies and/or Equipment:

- All classroom resources (including reference books), supplies and/or equipment are accessible only in the designated classrooms. Instructors are responsible for distributing supplies and/or equipment to students as required for the associated learning activities.
- For more detailed information about required learning materials, please refer to the specific course outlines posted on the MITT Learning Management System (i.e., the MyLearning platform).
