

POST-GRADUATE PROGRAMS - SUPPLY LIST

Global Supply Chain Management

The following items are required for this program. Purchase supplies in advance unless specified otherwise. The instructor will provide more details on the first day of class. All costs are approximate and the responsibility of the student.

Required Supplies and Texts	Approximate Cost
<p>Laptop Computer for Blended Learning</p> <p>This is a BYOD (Bring Your Own Device) program. Students are required to bring a laptop meeting the “Tier 2” specifications to classes. For more technical specifications, <u>visit the Laptop and Technical Requirements page.</u></p> <p>Post-Graduate programs are offered through a blended learning format, incorporating both online and in-person instruction. Students must have a laptop computer that supports the needs of online and in-person learning in an academic environment.</p> <p>Common course work involves creating Word, Excel, and PowerPoint files, delivering presentations in-person and virtually, and group work. Virtual meetings are held over Microsoft Teams video conferencing.</p> <p>Students must have a working <u>webcam</u> and <u>microphone</u> for online learning. <u>Headphones</u> are recommended for attending virtual meetings.</p>	<p><i>Costs may vary.</i></p>
<p>Required Textbooks/Workbooks:</p> <p>Many courses have a required textbook that accompanies the curriculum, homework, and assessments. Students are responsible for securing their own copy of textbooks. Both e-books and physical texts are acceptable. Required textbooks are listed in the resource section of each course outline. Always ensure to get the correct edition or version of the textbook.</p> <p>Books for MITT classes are available through the University of Winnipeg (U of W) Bookstore. Booklists are posted to the U of W website at the beginning of each academic term.</p> <p>To view your booklist, please visit: https://www.bkstr.com/winnipegstore/home.</p>	<p>\$350.00-\$800.00</p> <p><i>Cost varies with format purchased.</i></p>

<p>Options Available to Purchase Textbooks:</p> <ol style="list-style-type: none"> 1. Go in-person to the University of Winnipeg Bookstore. <i>Check their website for hours of operation and closure information.</i> 2. Order books through the U of W online bookstore. 3. Source book(s) through other online providers <u>only if they are the same edition.</u> <p>Notes:</p> <ul style="list-style-type: none"> • MITT does not operate a bookstore or supply store. <p>Reference Books, Supplies and/or Equipment:</p> <ul style="list-style-type: none"> • Instructors will distribute any additional book(s), case studies, supplies, and/or equipment for student use during the program. • All classroom reference books, resources, supplies and/or equipment are to be returned to instructors at course completion. 	
<p>Respondus – Lockdown Browser</p> <p>Students will be required to utilize Respondus – LockDown Browser for quizzes and exams conducted in MyLearning. Students will need to download and install the application on personal laptops prior to taking the exam.</p> <p>Installation instructions can be found in MyLearning. Go to the Post-Graduate Program Course and Quizzes section to find a sample quiz with LockDown Browser enabled. Follow instructions on the quiz start page to download, install, and test the LockDown Browser.</p>	<p>n/a</p>
<p>SCM Globe – Supply Chain Simulation Tool (Year 2)</p> <p>This online resource is required for the PG GSCM GS-060 Logistics and Transportation course that students will take in their second year.</p> <p>Students are required to purchase a SCM Globe student account for the start of GS-060. Student accounts are active for 90 days by default, so avoid purchasing before the course begins.</p>	<p>\$65.00 USD</p> <p><i>Instructors will send details of how and when to purchase.</i></p>
