

Rehabilitation Assistant Supply List for the 2025-2026 Academic Year

Required supplies must be purchased in advance unless otherwise noted. Costs are approximate and are the responsibility of the student. The Lead Instructor will provide further details on the first day of class.

A laptop is required for this program and must include working camera and microphone. Refer to the Tier 2 specifications on the [Laptop and Technical Needs](#) page of the MITT website for further details.

Required Supplies	Approximate Cost
Headphones/earbuds with standard 3.5-mm audio jack (<i>Bluetooth/phone connected is not acceptable.</i>)	\$30.00

Immunizations, as required	(cost may vary)
**ParaMed Placement Pass User Accounts	\$65.00 per academic year

**PVSC and abuse registry clearances are only deemed valid for a maximum period of six months and must cover the entire Work Practicum duration (i.e., beyond the end date).*

ParaMed Placement Pass is an approved third-party agency that handles pre-placement immunization and clearance verification for MITT students. Students are responsible for service fees related to their user account. All details about immunization, testing, and clearance documents will be covered during the Placement Pass orientation, scheduled after the program begins. **Please await the Program Orientation before proceeding with any immunizations or clearance applications.

Respondus Lockdown Browser

Students may be required to complete assessments on the MyLearning platform using Respondus LockDown Browser (a free online application), which must be installed on a laptop before testing. It is the student's responsibility to ensure their laptop is updated and capable of supporting this software.

Required Textbooks

MITT partners with the UWinnipeg Bookstore, which offer in-person and online purchasing options. Textbook lists will be posted on the [UWinnipeg Bookstore website](#) and in MyLearning (RH-PC-GEN) approximately 10 business days before the program starts.

Other textbooks purchasing options include:

1. Online purchase from the publisher
 2. Online purchase from an e-commerce site (such as Amazon)
-

Reference Books, Laboratory Supplies and/or Equipment

Classroom resources, reference books, supplies, and equipment are only available in designated classrooms. Instructors will distribute them as required.

For details on required learning materials, refer to course outlines on the MyLearning platform.
